### Dear Friends,

Thank you for participating in my inaugural E-newsletter program. You have helped make it a great success. We have communicated on issues important to New Jersey and I look forward to continuing these updates with members of the program.

Today marks the beginning of a 90-day "blackout" period that precedes the November election. Members of the House of Representatives may not send mass E-communications unless the recipients have "opt-ed in" to the program. However, I may still respond to your concerns on an individual basis through the normal channels of communication.

Thanks again for making this innovative program a success. You may still "opt-in" to the program by clicking the "Sign Up" button to the right or visiting my website at [www.menendez.house.gov](http://www.menendez.house.gov). For those who have joined, keep your eyes peeled for the next update. It is a privilege to serve the residents of New Jersey's 13th Congressional District.

Sincerely,

Robert Menendez  
Member of Congress
